TIME KIDS

From the desk of the Chief Executive

September, already? Welcome to our latest supporter newsletter!

Thanks to the Department for Communities and Social Inclusion and the Bennelong Foundation, Time for Kids has received funding to admit 30 children from new and arriving communities into our program. This project is making great progress and we're grateful for the opportunity to support children's integration into their new community.

We're also knee-deep in planning for our annual fundraiser, the Lionhearts Lunch, being held on 21 October this year. If you're interested in finding out what it takes to become a Lionheart, [click here](#) and subscribe.

Before you know it, we'll also be getting ready for Christmas (don't panic, we start getting ready a couple of months before you need to). [Find out more](#) about how you can support a child in need to have a great Christmas. You can even donate through our [online shop](#) this year! Get in early and gift a child a Merry Christmas.

And finally, we welcome on board our newest community partner, Youth Opportunities. Like us, they have a commitment to supporting vulnerable young people achieve their best in life and we're proud to be working with them.
