

TIME KIDS

From the desk of the Chief Executive

Welcome to our final newsletter for 2016. You'd think we might be winding down, but in fact we're gearing up for a couple of events that we think are going to be the best so far this year.

1. *Santa is on his way!!* We've already been rustling the paper and wrapping with our volunteers, to prepare some very special treats for our children to receive on Christmas day. If you'd like to help a child smile this Christmas, make a donation right now at www.timeforkids.com.au/shop/ - or read on to find out more.

2. *Say goodbye to 2016 and 'Hello 2017!'* at The 7 Effect's 'Cocktails and Dreams' fun-and-fund-raising event on 15 December. Join them, and us, for a cracking celebration and the bonus feel-good that you'll be helping support children in need. Find out more, in this edition.

Our sincere thanks for your support throughout the year. On behalf of our board, staff, volunteers and our kids, we wish you and yours a very merry festive season and look forward to seeing you in the new year.

Chief Executive

Make yours a Time for Kids Christmas

Christmas can be a struggle for many of our families. That's why we make sure each Time for Kids child has the opportunity to open at least one gift on Christmas morning.

You can make a donation to our Christmas program [online](#), or [email us](#) for information on collecting gifts at your office or amongst family and friends. We need your help to make a merry Christmas for our kids.

Take a Snap! at Cocktails and Dreams

Tickets are selling fast for the big event - if you haven't got your ticket yet [act now!](#) Can't attend? - [make a donation](#) to help them meet their fundraising target (\$10,000!) for Time for Kids.

[Snap! Snap!](#) is generously donating a photo booth for the event - so not only will you have a blast enjoying the food, drinks, DJ and dance floor, you'll capture some memories of the night!

All funds raised on the night will be donated to Time for Kids - so the more people there, the more children and young people we can support.

Volunteer Opportunities

Studies show volunteering increases your self-esteem and overall health - it's all about the endorphins!

We're always looking for more volunteer carers and mentors to place with the many children on our waiting list.

If you don't have time to commit to becoming a carer right now, how about assisting with wrapping Christmas presents for our kids!

[Email us](#) or phone 8440 8500 for more information.
