TIME KIDS

THE CHIEF EXECUTIVE OFFICER'S DESK

On behalf of everyone at Relationships Australia SA (RASA), I would like to welcome you, as our valued supporters and members of the Time for Kids family, to this new partnership.

At RASA, we are passionate about children's wellbeing, and we look forward to building on Time for Kids' success. The Time for Kids program has been enthusiastically taken on by Nikki Hartmann, as the new Program Manager, who I am sure you will hear more from over the coming months and in future newsletters. I also hope to meet you at one of the many events we will hold throughout the year.

I would like to thank you for your continued support of this much-loved South Australian charity. We look forward to retaining the Time for Kids' legacy, while expanding the programs capacity with new and exciting support opportunities for children and families in need.

- Claire Ralfs PhD
Chief Executive Officer, Relationships Australia SA

TIME FOR KIDS HAS A NEW HOME!

Following our recent merge with Relationships Australia SA, the Time for Kids program has found a new home in Hindmarsh. We're delighted to share premises with so many of RASA's own family and child focussed programs.

Our phonenumber transition is ahead of schedule - to speak with us phone reception on 8245 8100 and request to be put through to "Time for Kids".

CORPORATE AND COMMUNITY PARTNERSHIPS

We're very excited to partner with the Australian Institute of Social Relations in 2019 to deliver a series of training workshops for our volunteer carers and mentors, thanks to the support of the John T Reid Charitable Trusts.

This training series will further equip our carers with the information and skills they need to provide the very best possible care to children in need.

Have a social or work event coming up? We'd love the opportunity to share the work we do and the many ways you can join the Time for Kids family!
