From the desk of the Chief Executive

Welcome to 2015, on behalf of all of us at Time for Kids.

We are starting our new year with a new form newsletter. As a subscriber to the Time for Kids newsletter, you'll be hearing from us more regularly from now on. We'll keep in regular contact to update you on the work we're doing to support our children and young people, as well as let you know about Time for Kids activities and events for our children that you might like to support.

You can also keep in touch with us by following us on facebook, and Twitter – we love to hear from you and appreciate your help in promoting our work. Together, we really can build a bright future for every child.

- Jennifer Duncan
Chief Executive

Give the gift of love this Valentines Day

Have you thought about becoming a carer? From January 2015, we have changed the enquiry and application process for prospective volunteers. Anyone who is interested in becoming a volunteer carer or mentor with us – or anyone who just wants to find out more about our program! – can now register to attend an information session held at our offices in Enfield.

The first information night will be held on Wednesday the 18th of February from 5:30. Read more about becoming a carer on our [website](#), and [register](#) you and a friend to attend an information session, and give a child the gift of love this year.

A Time for Kids Christmas

Our annual [Christmas gifting](#) is one of the most rewarding events in our calendar year. We understand that Christmas is a difficult time to make ends meet for anyone. For our families the financial strain can be great, and many are unable to provide the Christmas that they want for their children.

In 2014, over 90 families came in to our offices to collect presents for more than 200 children - as well as their share of more than \$4,000 in food aid. The gratitude and delight on the children's faces as they tried to guess the contents of every gift before making their choice was their gift back to us and you.

Updates from the office

Last year was a busy period for Time for Kids. Please introduce yourself to [the team](#), including new and more familiar faces. We moved offices from Norwood to Enfield, and of course had a year jam-packed with exciting events and opportunities for our children, their families and their carers.

As ever, we are working hard to support as many children as we can through our program. We couldn't do this without our supporters, and the countless number of hours our volunteer carers invest for the futures of all South Australian children.

We thank you for your ongoing interest in Time for Kids, and look forward to your support for our work in 2015.

The Spence Club

We are excited to introduce one of our newest supporters - The Spence Club.

This new organization of high-achieving South Australian women may have what it takes to change the world - or at least ours!

The Spence Club is hosting the first of many fundraising events on 8 February, and Time for Kids was the lucky beneficiary of their debut sponsorship.

Read their [interview](#) with our CEO.
