

TIME KIDS

From the desk of the Chief Executive

As a small not for profit with big ambitions to build bright futures for South Australia's children, Time for Kids has recently been focussing hard on partnerships.

Over the past two years we've been proud to affiliate ourselves with a number of organisations also working to support South Australian children in need, including Act for Kids, Heartkids SA, Welcome to Australia, youth inc., Eddie Rice Camps and Kickstart for Kids. That's a lot of partnerships created within a small space of time, but they're really only just the beginning.

Partnerships enable Time for Kids to increase the impact of our programs whilst also building greater internal efficiencies – it's an ideal combination that helps stretch our donors' dollars more than ever before. They're also where we see our future lying and, this year, we plan to take our partnership approach even further. As always, the critical question that will inform which partnerships we'll pursue and how will be, what's best for the children we care for?

Expect to hear more from us about this over the coming year. We're building a strong and sustainable future for this unique South Australian service and its proud history of empowering children to break the cycle of disadvantage and create happy and fulfilled futures.

If you'd like to hear more about our new approach to partnerships, or have a partnership you'd like to suggest to us!, please contact me at jennifer.duncan@timeforkids.com.au – I'd love to hear from you.

Thanks for making Easter special

Easter is one of the events that children look forward to most every year. But for many of our families, it can be too difficult to take part in the fun.

This Easter, 163 children and young people got a chance to take home their very own goodie bag to enjoy over the Easter weekend.

On behalf of our children and our families, thank you for making this Easter one to remember!

With special thanks to this years Easter supporters - Andrew Duncan, Fran Wilsdon, Jacqueline Cirillo, Jessica Arthur, Klemich Real Estate - [Henley Beach](#), [Minter Ellison](#), Niki Vincent and the [Leaders Institute of South Australia](#), [Nova Systems](#), and [The Carob Kitchen](#).

Time for Kids kids fly high

Last weekend several of our children, their families, and their Time for Kids carers were lucky enough to enjoy a private joy flight along the southern coast, thanks to the generosity of a southern flight club. In groups of two and four they took to the skies, taking in the views before digging in to a BBQ lunch with the lovely club volunteers.
